Damage Report Regarding the Earthquake in the Hokuriku Region

We would like to report on the impact of the earthquake that took place on Sunday, March 25, 2007 at 9:42 a.m.

At this present time (1:00 p.m. March 25), we have confirmed the extent of the damage at the following two sites. Almost no damage was sustained at any of our other manufacturing subsidiaries, and it appears that production at those companies will not be affected by the earthquake. As far as injuries to personnel and damage to our suppliers are concerned, we are still confirming the details at this time.

【Anamizu Electronics Industries, Ltd.】

Address : Chi-53, Ohmachi, Anamizu-Machi, Housu-gun, Ishikawa
927-0026 Japan
Products : EMI Suppression Filters and Coil Products
Damage conditions : No damage to the buildings. Some equipment was damaged,
and repairs will take several days. We have adequate
inventory, so deliveries will not be affected in any way.

【Wakura Murata Manufacturing Co., Ltd.】

Address : 1, U-bu, Ishizakimachi, Nanao-shi, Ishikawa 926-0173 Japan

Products : Module Products

Damage conditions : No damage to the buildings. Damage to equipment was insignificant, but we are still confirming whether or not there will be any impact on production.
