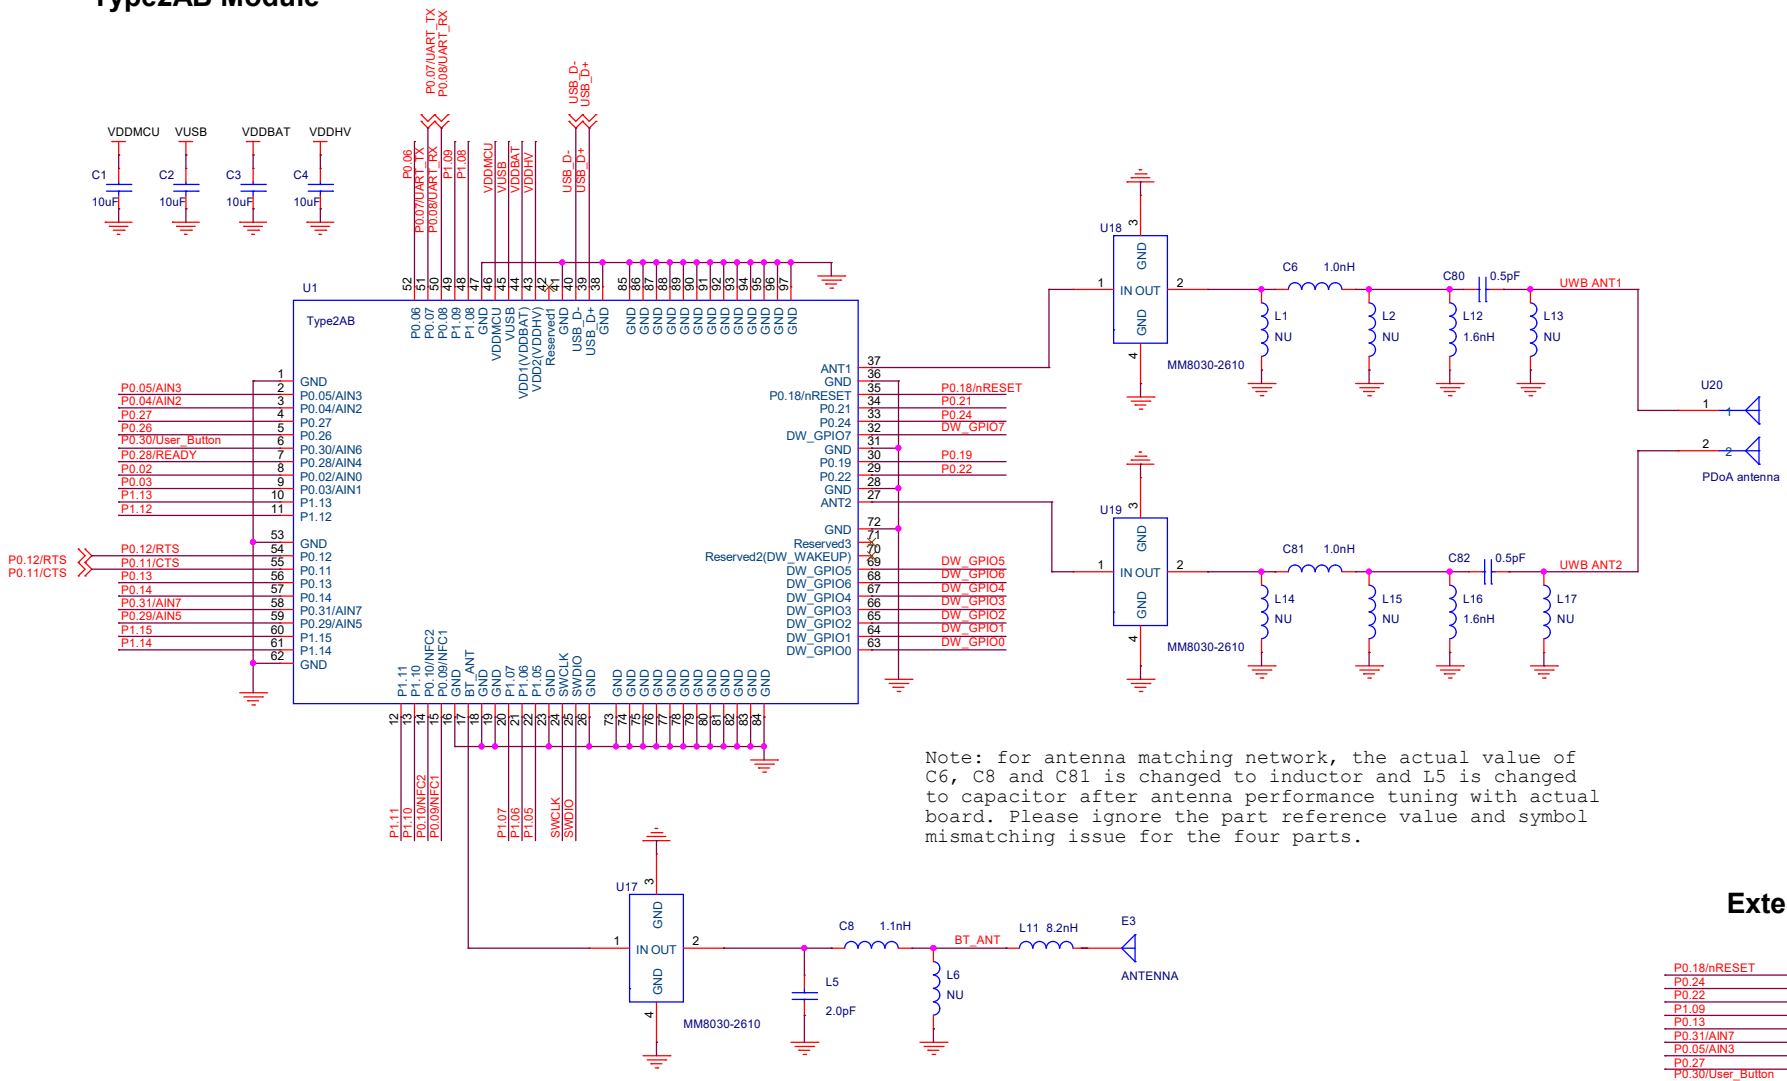
Change History

Revision	Date	Update
V0.1	2022/6/23	Initial release
V1.0	2022/8/3	Update UWB and BLE antenna matching network value.
V1.1	2024/9/14	Add one note about antenna matching network.
V2.0	2024/10/30	Modify symbol of antenna matching circuit to accord with material.

Title: Type2AB_EVB		
Size: A	Document Number: JS-1055	Rev: V2.0
Date: Wednesday, October 30, 2024	Sheet 1 of 3	

Type2AB Module



Note: for antenna matching network, the actual value of C6, C8 and C81 is changed to inductor and L5 is changed to capacitor after antenna performance tuning with actual board. Please ignore the part reference value and symbol mismatching issue for the four parts.
