

GCH188R61C475KE11#

In Production RoHS REACH 85 Reflow Flow OK

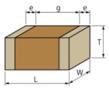

< List of part numbers with package codes > GCH188R61C475KE11D GCH188R61C475KE11W GCH188R61C475KE11V

## Applications

| Unsuitable   | Please be sure to read and comply with     |  |
|--------------|--------------------------------------------|--|
| Applications | these "Precautions for use."               |  |
|              | Implanted medical equipment or             |  |
|              | medical equipment [GHTF D]                 |  |
|              | Please refer to Our Website and            |  |
|              | specifications, etc. for information about |  |
| Specific     | the performance, functions, quality,       |  |
| Applications | management, and safety required for        |  |
|              | the above applications, and use            |  |
|              | Products after confirming the              |  |
|              | performance and reliability of the actual  |  |
|              | Product.                                   |  |

# Appearance & Shape

Note: If you have not downloaded this document from our official website, please note that the information provided may not be the most current.

Please download the latest datasheet of GCH188R61C475KE11# from the official website of Murata

# Specifications

| Length                                             | 1.6±0.2mm     |
|----------------------------------------------------|---------------|
| Width                                              | 0.8±0.2mm     |
| Thickness                                          | 0.8±0.2mm     |
| Capacitance                                        | 4.7µF ±10%    |
| Distance between external terminals g              | 0.6mm min.    |
| External terminal size e                           | 0.2 to 0.55mm |
| Operating Temperature<br>Range                     | -55°C to 85°C |
| Rated Voltage                                      | 16Vdc         |
| Size code in inch(mm)                              | 0603 (1608M)  |
| Capacitance change rate                            | ±15.0%        |
| Temperature characteristics<br>(complied standard) | X5R(EIA)      |
| Temperature range of temperature characteristics   | -55°C to 85°C |
